

New Mexico Register / Volume XXXIV, Issue 24 / December 19, 2023

At a hearing on 11/16/2023, the Albuquerque-Bernalillo County Air Quality Control Board adopted new requirements for 20.11.104 NMAC, thus repealing old requirements filed 7/1/2022 and replacing with new requirements effective 12/31/2023.
