Mission of the Office of the State Historian

The mission of the Office of the State Historian is to foster and facilitate an appreciation and understanding of New Mexico history and culture through education, research, preservation, and community outreach.

OSH Responsibilities

Manage the Office of the State Historian

Enhance the public's knowledge and appreciation of New Mexico history

Initiate and coordinate historical programs

Provide consultation services to state agencies regarding history and culture

Cultural Properties Review Committee

State Historian is the only statutory member of the CPRC.

The Cultural Properties Review Committee is created by the Cultural Properties Act to serve as a professional policy-making/advisory board for historic preservation in New Mexico.

The State Historian also serves on the Historic Markers sub-committee.

Nicolasa Chávez
